

JANE HEIMBECKER, MAS

Jane Heimbecker, MAS has been in the Promotional Marketing & Branding industry for over 40 years. She has earned the highly coveted Master Certification, achieved by only a few worldwide.

She is supported by HALO Branded Solutions, the largest promotional supplier in the United States. Jane works closely with clients to design and produce promotional products from original concept to completion and distribution which strengthen their brand to their potential client base.

In 2008, the Healthcare Planning and Marketing Society of New Jersey commissioned Jane to design the PeRCy award. She has served as a Board Member many years and worked on various committees during that time. Since 2014 Jane has been the PeRCy Committee Chairperson and values reviewing all the creative submissions every year.

Along with achieving many awards in her industry and community Jane was honored to receive the HPMSNJ Society Recognition Award in 2015. She enjoys the camaraderie of the organization and has made many friends in the process.
